SILVER LINE FEATURES

Silver line is our line of heavy duty metal self-inking stamps designed for the most discriminating user. They are built tough for heavy day-to-day use in places such as banks, insurance companies, government offices, warehouses, corporate offices and for any application requiring precise, consistent impressions.

They are available in five standard ink colors and the daters come as standard with a two-color ink pad: Red (date) and Blue (text).

Tops can be personalized with color and logo at an additional charge. Minimum quantities required.
